

IMPORT REGULATIONS ON HOUSEHOLD GOODS AND PERSONAL EFFECT SHIPMENTS

Clearance at customs is normally 3 to 5 days. The only POE is George Town, Grand Cayman.

Requirements for the importation of USED Personal Effects -

- Accomplished Customs Declaration Form - the value/costs of the new and used items must be indicated separately in the Schedule portion of the form for Customs' purposes (copy attached).
- **Valued inventory/packing list** (value on each item is a customs requirement) – Used items are Duty Free
- Invoices for new items ("new" being those items which have been in the consignee's possession for less than 6 months and those items which have not been in use regardless of the purchase date); **New items are subject to Duty/taxes with varied rates and is based on cost-insurance-freight (CIF) value**; Wines and Spirits are dutiable at various rates on a per liter basis. If more than two liters, a license to import from the Cayman Island Liquour Board would be required. As a Customs requirement, Inland Freight Costs should be reflected regardless of origin. No handwritten notations on any of the invoices, please.
- Work permit or residence permit (whichever is applicable)
- Passport - picture page
- Passport - page with the latest Grand Cayman entry stamp
- **"EXPRESS RELEASE"** Bill of Lading indicating **total cost of freight from Point of Origin to Grand Cayman**.
