

AUSTRALIA

CUSTOMS REGULATIONS AND INFORMATION FOR IMPORTS

HOUSEHOLD GOODS AND PERSONAL EFFECTS

Documents Required

- Completed Australian Customs Form (Form B534)
- Copy of Passport
- Copy of Visa or E-Visa Approval (non-citizens)
- Shipment Inventory / Packing List, detailed and accurate
- Alcohol Inventory (if applicable)
- Original Bill of Lading Air (OBL) / Airway Bill (AWB)

Specific Information

- The OBL must be received no less than 7 days prior to the vessel arrival at first entry port into Australia.
- The AWB must be received no less than 48 hours prior to the aircraft arrival at the first entry Airport into Australia.
- Sea freight clearance times will vary ranging from 10 to 21 working days depending on mode of sea freight and the destination location.
- Airfreight clearance takes approximately 5 to 10 working days depending on documentation received and destination location.
- An alcohol inventory is required for Australian Customs to assess the duty and taxes payable, which are generally 50% of the alcohol's purchase value.

MOTOR VEHICLES

Documents Required

- Vehicle Import Approval (VIA)
- Import Declaration
- Self-Assessed Clearance (SAC), if applicable

Specific Information

- A VIA must be obtained prior to the importation of motor vehicles.
- The restrictions for documents and Customs regulations must be met for the importation for privately owned motor vehicles.
- Customs clearance is required at the port of entry.
- Customs duties and goods and services taxes (GST) must be paid at the time of vehicle import.
- Contact the Australian Taxation Office to determine if and when luxury car taxes (LCT) must be paid.

PETS

Documents Required

- Import Application
- Import Permit

AUSTRALIA

Specific Information

- All animals imported to Australia must meet the requirements of the Australian Quarantine and Inspection Service (AQIS) and will be quarantined upon arrival.
- Import Permits take approximately 10 business days from the date receipt by AQIS to be approved; however, incomplete or incorrect applications may take longer.
- Shippers must select a quarantine station for the animal prior to import.
- Animals may be visited by only the person identified as the importer during the quarantine period

Note: *It is critical to contact AQIS prior to the import of pets as requirements and restrictions are dependent upon the country of origin and vary dramatically per type of animal.*

RESTRICTED / DUTIABLE ITEMS

- Alcohol (Customs duties plus goods and services tax (GST) will apply to alcohol imported into Australia. Duty is calculated on the type of alcohol, the volume contained per bottle, the alcohol % per bottle and the value per bottle. Ten percent (10%) GST is then added to the duty calculated.)
- Anabolic and androgenic substances (those that enhance muscle and bone growth and may include health supplements)
- Antibiotics
- ANZAC and any related advertising material
- Items bearing an image of the Australian national flag and coat of arms
- Items bearing an image of the Australian state or territory flags and coat of arms
- Asbestos
- Cat and dog fur products
- Glazed ceramic ware
- Cetaceans (whales, dolphins and porpoises)
- Chemical weapons
- Chewing tobacco and snuff in quantities greater than 1.5 kg)
